

Brickell Avenue/US 1 (State Road 5)
From SE 15th Road to SE 13th Street (Coral Way)

TRAFFIC IMPROVEMENT PROJECT

PROJECT ANNOUNCEMENT
ROADWORK BEGINS JANUARY 8TH, 2007!

On or around Monday, January 8th, 2007, contractors for The Florida Department of Transportation (FDOT), District Six, will begin a traffic improvement project on Brickell Avenue/US 1 (State Road 5) from SE 15th Road to SE 13th Street (Coral Way) (FIN No. 416472-1-52-01).

Scope of Work:

The work to be done under this contract consists of traffic safety improvements to SR 5 (Brickell Avenue), from S.E. 15th Road to S.E. 13th Street (Coral Way). Signalization improvements at SE 14th St, closing of existing median openings at SE 14th Lane and SE 13th St., reconstruction of existing ramps to comply with American with Disabilities Act (ADA) standards, widening to create longer turn lanes for northbound left turn at Coral Way and southbound left turn at SE 14th St.

Construction Schedule:

Construction is scheduled to begin on January 8th, 2007 and is expected to be completed around early May of 2007 at an estimated cost of \$615,000. Please note that bad weather or other unforeseen circumstances could impact this schedule.

Maintenance of Traffic:

Lane closures and roadwork will occur during non-peak hours as follows: 9:00 a.m. to 3:30 p.m. weekends, 9:00 p.m. to 5:30 a.m. Sunday through Thursday nights, and 11:00 p.m. to 9:00 a.m. Friday & Saturday nights.

For more information please call Carlos Sarmiento, Public Information Specialist at (305) 499-2410 or via e-mail at carlos.sarmiento@dot.state.fl.us, or Tony Sabbag, CEI Project Engineer at (305) 728-7406.
