**Brickell Avenue Construction Update**

Dear **Natalie Brown**,

**For your safety please walk, drive and ride cautiously around construction zones and do not enter any closed work zones.**

There will be no work performed from Friday, December 23 through Monday, January 2 in observance of the holidays.

A permanent work zone with barrier wall and barricades will stay in place along SE 12 Street from Brickell Avenue to Brickell Bay Drive. Only westbound traffic will be able to travel along SE 12 Street while the contractor installs several underground drainage structures and a storm water force main. Eastbound traffic will be detoured. Drivers who want to travel east on SE 12 Street will have to turn east on SE 12 Terrace, turn north on Brickell Bay Drive and turn west on SE 12 Street. Signs will be posted on the roadway to direct drivers around the construction. On-street parking along SE 12 Street will be eliminated during this time. Access to driveways will be maintained at all times. This work is scheduled through January 2012.

**Upcoming Construction Activities:**

Resuming Tuesday, January 3 the contractor will continue replacing slabs of concrete pavement on Brickell Avenue between SE 12 Terrace and SE 12 Street. Work will take place from 9 a.m. to 3:30 p.m. Mondays through Fridays. At least one lane in each direction will remain open at all times. Minor detours may be used as needed. Signs will be posted on the roadway to direct drivers around the construction.

One northbound lane and one southbound lane will be closed at times along Brickell Avenue between SE 15 Road and SE 5 Street while the contractor performs concrete, lighting and drainage work in the area. The closure will be from 9 a.m. to 3:30 p.m. Monday through Friday. One lane may also be closed from 8 a.m. Saturday to 5 a.m. Monday. This work is scheduled through February 2012. At least one lane in both directions will remain open at all times.

Sections of travel lanes will be closed at times along Brickell Avenue from SE 25 Road to SE 15 Road through February 2012, while the contractor replaces slabs of concrete pavement and performs concrete crack and joint sealing. At least one lane in either direction will remain open at all times.

- Northbound lanes may be closed Monday through Friday from 9 a.m. to 8 p.m.
- Southbound lanes may be closed Monday through Friday from 6 a.m. to 3:30 p.m., and 8 a.m. to 5 a.m. Saturday through Monday morning.

**PLEASE NOTE THAT THIS SCHEDULE MAY CHANGE DUE TO WEATHER OR UNEXPECTED CONDITIONS.**

Additional project information is available on the [project page](#) of the department's [website](#). You may also contact Construction Public Information Specialist Heather Leslie at 305-640-7462 or email her at [Heather.Leslie@dot.state.fl.us](mailto:Heather.Leslie@dot.state.fl.us). Drivers are encouraged to call 511 before they drive, or log onto [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information.
