

BHA EDUCATION ADVOCACY GOALS & EXPECTATIONS 2017-2018

Building New Public Schools to Accommodate Current and Future Needs

Action Item:

- MDCPS to finalize negotiations on Southside (F3) and IPrep (F4) expansion projects

Strengthening Current Assets: Urban Core Ed Excellence by 2020

Action Item:

- MDCPS will establish School Improvement Plans (SIP) with measurable goals and outcomes for “Fragile Schools” in Miami’s Urban Core (H5)

Sustained Educational Excellence in the Urban Core

Action Items:

- Revive and empower the City of Miami’s Education Committee (City of Miami Beach model)
- City of Miami and MDCPS to negotiate revised Education Compact (2018-2028)

Exploring All Options for Success

Action Items:

- City of Miami’s approval of the Mater Brickell Prep project
- Explore all options for opening a neighborhood school north of the Miami River (Downtown, Central Business District)
- Explore using the Vizcaya Farm Village (former site of the Miami Museum of Science) property to build a new IPrep South
